

Our Vision

Our wholesale and retail experience allows us to take the long term view with suppliers, which enables us to provide you with a total trading solution. We are committed to taking the "hassle" out of selling excess inventory, and will do so by listening to our suppliers and acting accordingly. We will grow our business by maintaining absolute flexibility in terms of; Reduced margin requirements, flexible transport arrangements and payment terms. Our customer base will continue to grow and we strive to bring more independent retailers on board, ensuring that your brands remain safe and no parallel trading occurs.
